

## Temple Israel Speaker Forum Benefit

# Mitch Albom

**Author of *Tuesdays with Morrie*,  
will reflect on the story in his newest non-fiction book,**

## HAVE A LITTLE FAITH

A remarkable eight-year journey between two worlds,  
white and African American; Jewish and Christian; well-to-do and poor.  
This is a moving story about life's purpose; about losing belief and finding it again;  
and about believing in something bigger than yourself.
