A Program of the Jewish Outreach Institute - JOI.org

An education and support program for Jewish grandparents whose adult children have intermarried.

Sometimes grandparents often feel unsure of how they can cultivate the Jewish identities of their grandchildren, especially when it is not always clear as to whether or not those children are being raised as Jews. The Grandparents Circle is a comprehensive program that offers grandparents skills and techniques to nurture, and in some cases help establish, their interfaith grandchildren's Jewish identities. It also provides participants with a supportive and open-minded environment to share their achievements, express their frustrations, and acknowledge their challenges.

This program will run for five consecutive Tuesdays from 7–9pm. No Cost. Facilitator will be Barbara Rudnick (JFCS).
