### Taberson, Stanley P.

Our dearly loved Stan, age 75, lifelong resident of Mpls., passed away February 25, 2014. Preceded in death by his loving parents, Peter William and Grace Charlotte (nee Anderson) Taberson; and one brother, Allen C. Taberson.

Stanley owned and operated Taberson's Bakery in Mpls. for 35 years, retiring in 1998. He loved his customers and they in turn were rewarded by his beautiful cakes, fabulous breads and fantastic cookies. He often reflected how lucky he was in this world: to be able to go to work and love every aspect of the job.

Longtime member of the American Legion and VFW. He was a wonderful husband, father, grandfather and friend; he was always willing to lend a hand to anyone in need - his spirit lives on in the hearts of those who knew him.

Stan and Evelyn enjoyed socializing and traveling with friends and family. He developed athletic abilities in golf, bowling and cross-country skiing. Together they purchased an RV and decided to visit all the states. No bones about it, Stan's favorite was Montana. With plentiful mountains and thick tree cover, Montana brought Stanley incredible joy. Many days are characterized by blue sky and lots of sunshine, and he loved getting out of the RV just to soak up the sun and take in the beautiful views.

Stan's greatest joy was his family; we all benefited from the love he showed us. He was firm, kind, energetic, and loved to joke as well. He loved a good cup of coffee, and he enjoyed watching the Minnesota Vikings, the Minnesota Twins and Timberwolves games.

He devoted many hours to volunteering and Stan was a very humble man who accomplished so much. He was an extraordinarily proud father and grandfather, but what he wanted was to provide for his wife and family and he accomplished this with his powerful presence and love of life.

Survived by loving wife of 42 years, Evelyn; daughters, Kimberly (John) Anderson and Theresa (Mike) Froiland; son, Peter (Heidi) Taberson; grandchildren, Paul Anderson, Josh Froiland, Katie King and Marcia Anderson; two great-grandchildren; his favorite sister, Irene (Dominick) Prohntitchi; many other relatives and friends.

Funeral service Monday 2 PM at Smith Funeral Home, 505 Main St., Mpls. Visitation Sunday 6-8 PM and also one hour prior to the service, all at the funeral home. Interment Garden Grove Cemetery. Memorials preferred to the donor's choice. Smith Funeral Home 612-555-1212

## Stanley Peter Taberson

SHARE A MEMORY

f tw

It is with much sadness that we announce the passing of Stanley in his home in Minneapolis, after a long and courageous battle with cancer, surrounded by his beloved friends and family on February 25, 2014 at the age of 75.

Stanley was born in St. Louis Park, Minnesota on March 12, 1939, the son of Peter and Grace Taberson. Stanley, at an early age, showed a special interest in baking and baked his first peach pie at the age of four. His mother and father, who were also bakers and owned a specialty bread shop in northeast Minneapolis, encouraged Stanley to pursue his life's passion by joining them in the early-morning hours at the bakery on the weekends. Stanley attended Susan Lindgren Elementary School in St. Louis Park where his studies focused on math, science and home economics. His mentor at the bake shop, besides his loving parents, was Ms. Loretta Silverstein. She approached Stanley with loving care, and was instrumental in developing Stanley's deep and lifelong appreciation for baking, including creating the finest pastries, desserts and breads.

Upon graduating from Susan Lindgren Elementary School, Stanley attended St. Louis Park High School, where he excelled in math and science, and of course, baking. His teachers at high school regarded Stanley as a precocious child with an eager and unlimited curiosity for the finer things in life. His math teacher, Donald Fishman, remarked that in addition to his god-given talents in baking, he would make a brilliant addition, if so chosen, in the field of mathematics. He further noted that Stanley's unique ability to problem solve, even when no answer seemed readily available, was most likely attributable to his background in bread-making and cake decorating.

As successful Stanley was in many courses in high school, his top priority was, and remained, creating the most delicious and beautiful cakes as possible. At age 16, Stanley was selected by the Institute of Culinary Education—New York, New York for their professional development summer student program, an honor made available only to students of promising talent in the culinary arts. This was just the gateway Stanley craved to gain valuable professional baking experience early in his culinary life.

Stanley, upon his acceptance to this prestigious program, was fortunate to acquire lodging with his uncle Horatio, who at the time lived in Brooklyn and was eager for Stanley to join his family and cousins while attending this summer culinary program.
